**Note from the pastors...**

Hi Church and welcome to February 2010!

This month most of our ministries kick off again, so there is going to be a flurry of activity around the church. These ministries provide a place of growth and connection for those within and outside the church to establish and cultivate relationships with God and others.

Why not choose at the start of this year where you'll be committed, either in terms of support and attending or possibly leadership and actively helping others! We are convinced it is going to be a great year, so make a decision NOW to be an active part of the life of Grace.

God Bless  
Dave and Sue

P.S. Stay tuned - next month is all about vision!
